

RESURRECTION LIFE CHURCH

A Family of God drawn to Jesus, challenged by his message, and released into Southwest Wake County

Merry Christmas and a Happy New Year... and a Merry Thank you!!

This letter is a simple yet heartfelt thank you for all your ongoing support. Through your support, you are part of a growing family from all over North America. Thank you for being with us through the thick and thin of this journey. Thank you for your prayers and calls. Thank you for affirming our calling. Thank you for believing in this cause, for reading updates, for watching videos, and for reading the blog.

2014 brought an incredible amount of change for our family. We are eager to start 2015 with some more church planting experience under our belts. We are excited to be meeting regularly with others with a similar calling to church planting. God has sent us some stellar people to join this cause of reaching this growing area with the Gospel. As we develop leaders, as we make disciples, as we grow as disciples, please do continue to keep us in your prayers. The Lord is hearing them and He's making things move down here.

We continue to pray for you as well, and we do ask that the Lord will continue to give you strength to be the hands and feet of Jesus in your own communities. As you love justice and mercy with the message of the Gospel, may people be eternally transformed!

In Christ,

"Only if we produce thousands of new church communities that regularly win secular people to Christ, seek the common good of the whole city (especially the poor), and disciple thousands of Christians to write plays, advance science, do creative journalism, begin effective and productive new businesses, use their money for others, and produce cutting-edge scholarship and literature will we actually be doing all the things the Bible tells us that Christians should be doing! This is how we will begin to see our cities comprehensively influenced for Christ."

-Tim Keller in 'Center Church' pg. 292

Here are some additional words of encouragement
I am privileged to share with you...

ResLife has been a great place to discuss and learn about God and his plan for us and his desire to reach the world. It has provided a welcoming, close knit place for my family to develop closer relationships with other Christians and provided a place where we can more directly serve the church and participate in the vision of reaching out to our communities for Christ.

- Robert Looyzen

" We loved worshipping with you last Sunday. We really appreciated your guitar music and songs, your good sermon, and breaking up into small groups to discuss. The testimony of your friend was so powerful, and we loved the way you did communion. It was so special to visit with everyone, and the meal was delicious! This is the way I would love to worship. I think I was meant for a house church! Thanks so much, and we will come as often as we can. May the Lord bless you and the ministry He has given you.

In Christ, Lelah Kanour"

" Our family has been very encouraged and excited to be a part of this church. It truly is a blessing to share life with other brothers and sisters. The spirit of knowing others and being known is something we feel that Resurrection [Life] has fostered. We take joy in being a part of what God is doing."

-Josiah Ziegler

Although we had never been a part of a church plant before, we did know that it would require and need more use of our gifts and talents. It has been a blessing to work with the other families in support of Resurrection Life Church, and to see how God calls people from all walks of life. We look forward to seeing how God will multiply our efforts through RLC in the coming year.

Merry Christmas!

David and Karsey Erickson
