MISSIONS

From 'Resident' Church Planter to Church Planter

Prayer Requests:

- Residency Ends

September marks the beginning to gathering together **five** core leaders. Please pray that the Lord will provide these leaders quickly.

- **Thrive!** We thank God for an incredible week at

Thrive!, a church planting conference hosted by the Christian Reformed Church and the Reformed Church of America. Lots learned means lots to do!

- **Spirit's Strength:** Please pray for confidence, daily strength, and protection.

- **Community:** Please pray that meaningful connections

will continue with coaching gymnastics and other connections with the community.

- **Vision Casting:** Pray that the vision God is giving this ministry will be clearly articulated, presented, owned, and casted.

Thank to everyone for their ongoing prayers!
